ETA KAPPA NU – PSI CHAPTER

Electrical and Computer Engineering Honor Society - University of Texas at Austin

INSERT DATE, 2023

Dear INSERT COMPANY NAME,

My name is Zongchi Xie, and as the Corporate Relations Officer for the Psi Chapter of Eta Kappa Nu (HKN) at The University of Texas at Austin, I cordially invite you to become involved with our chapter during the Fall 2023 semester.

Eta Kappa Nu is a unique organization, dedicated to encouraging and recognizing excellence in the Electrical and Computer Engineering fields. Members consist of students, alumni, and other professionals who have demonstrated exceptional academic and professional accomplishments. Student members are selected on the basis of scholastic standing, character, and leadership. Through an enriching variety of service programs and leadership training, student members develop lifelong skills that earmark them for prominent positions in industry and academia. Recognized as extremely capable both technically and professionally, our members are well prepared for the post-college world.

Your involvement with HKN offers you a wide range of opportunities to reach out to our selective community of Electrical and Computer Engineers. We host numerous events for our active members and pledges to mingle with your corporate representatives. We currently have over 50 registered members and pledges.

In this packet, you will find information about the range of corporate and social events that a corporate partner could pursue in the Fall 2023 semester.

Your generous contribution to our chapter will greatly benefit both HKN and your corporation through increased visibility to the Cockrell School of Engineering's best and brightest Electrical and Computer Engineering students. Your involvement would also give you access to several other benefits, outlined in the following pages.

Thank you for your support. I look forward to working with you to develop an appropriate corporate partnership plan. Please do not hesitate to contact me if you have any questions, comments, or suggestions.

Sincerely,
Zongchi Xie,
Fall 2023 Corresponding Secretary

ETA KAPPA NU – PSI CHAPTER

Electrical and Computer Engineering Honor Society - University of Texas at Austin

Corporate Partnership Events*

**Virtual and in-person events will be offered for the fall semester*

Meetings

HKN holds general meetings regularly throughout the semester with around 30~50 full members plus active pledges. After HKN conducts organization business, partners will have an excellent opportunity to give a 30~40 minute presentation, answer student questions, and meet with students individually, or as a group. We highly encourage companies to use this chance to share their latest projects or discuss leadership, communication skills and ethics in the industry. ***For in-person events, companies are responsible for providing food in addition to the contribution for the event.***

Note: Only one company is slotted per meeting, so it is suggested to reserve a date as early as possible.

	Date	Support Level
Actives Meeting <i>Earliest meeting of the semester before UT Expo; only actives are present.</i>	9/11/2023	\$1,000
General Meeting 1	9/25/2023	\$1,000
General Meeting 2	10/16/2023	\$1,000
General Meeting 3	11/6/2023	\$1,000
General Meeting 4	11/27/2023	\$1,000

GMs will occur during an evening time best-suited for all members (normally 7pm)

Socials, Tech Talks, and More

These events are less formal than our general meetings. This allows our corporate partners the most amount of time to connect with members in a more casual environment.

	Date	Support Level
Corporate Socials <i>Flexible social event; possibilities include games, movies, or other.</i>	10/3/2023 and schedule other dates through email	\$1000
Tech Talks/Workshops <i>Flexible educational event; can be general or product-related.</i>	Scheduled through email	\$1,000

Socials and talks will occur during an evening time best-suited for all new pledges

Additional Benefits for Corporate Partners

ETA KAPPA NU – PSI CHAPTER

Electrical and Computer Engineering Honor Society - University of Texas at Austin

Meet HKN Students

Each member of HKN performs at the top of their class academically, with juniors holding a GPA in the top 25% of their class, and seniors holding a GPA in the top 33% of their class. Corporate partners will have increased visibility to these students and premier opportunities to meet current HKN members.

In these unprecedented times, we have adjusted HKN events to better reflect current realities. Virtual events are possible in lieu of the on-campus experience. We have tailored our virtual events to foster a more interactive experience for all. In addition to presentations/workshops, we are open to tech/advising panels and social events.

Weekly Newsletters

HKN sends out weekly newsletters to inform our actives and pledges of upcoming events. Your company's name and partnership status will be displayed in each newsletter.

HKN Website

Corporate partners will receive recognition on the HKN website. HKN Corporate Partners will be able to include a short company description (250 words).

HKN Semester T-shirt

All corporate partners will receive prominent recognition on our commemorative semester T-shirts. We distribute these shirts to all registered members, who often wear them for several years afterwards.

Thank you for supporting Eta Kappa Nu, Psi Chapter!

We look forward to meeting you!
